

# CONSOLIDATED SCHEDULE OF SPECIFIC COMMITMENTS ON TRADE IN SERVICES OF CEFTA PARTIES

## EXPLANATORY NOTES

This “Consolidated Schedule of Specific Commitments on Trade in Services of CEFTA Parties” is based on the United Nations Central Product Classification (CPC) list used in services negotiations in the World Trade Organization, but it also includes some services as described by the CPC Version 2 (United Nations Publication ST/ESA/STAT/SER.M/77/Ver.2).

This Schedule is consistent with the GATS scheduling practice and indicates only those services sectors and subsectors in which the Parties are undertaking commitments. With respect to market access and national treatment commitments, the different modes of supply indicated in the Schedule are as follows:

Mode 1: from the territory of one Party into the territory of any other Party;

Mode 2: in the territory of one Party to a service consumer of any other Party;

Mode 3: by a service supplier of one Party, through commercial presence in the territory of any other Party; and

Mode 4: by a service supplier of one Party, through presence of natural persons of a Party in the territory of any other Party.

For the purpose of this Schedule, when commitments are undertaken by all the Parties to CEFTA 2006, this is indicated by the notation “All CEFTA Parties”. Otherwise, commitments by individual Parties are indicated by the following abbreviations below, in the order as listed in the preamble of CEFTA 2006, but excluding the Parties that have withdrawn from the Agreement in accordance with Article 51.

**Party 1 – PI**

**Party 2 – PII**

**Party 3 – PIII**

**Party 4 – PIV**

**Party 5 – PV**

**Party 6 – PVI**

**Party 7 – PVII**

## **A. HORIZONTAL COMMITMENTS**

### **1. Acquisition of land and real estate**

**PI** – Natural and juridical persons of another Party may not acquire natural resources and agricultural land, State-owned forestry and forestry land or land in frontier and military areas in **PI**. The natural and juridical persons of another Party are entitled to buy State-owned, non-agricultural land provided that the value of investment in the land concerned is three times higher than the value of non-agricultural land in **PI**.

**PII** – Natural and juridical persons of another Party may not acquire and own real estate in **PII** except if the acquired property is related to the supply of a service and upon condition of reciprocity between **PII** and the Party where the natural or juridical person resides or is duly constituted. Agricultural land may not be owned by natural or juridical persons of another Party.

**PIII** – A natural or juridical person of another Party may, upon condition of reciprocity between **PIII** and the Party where the natural or juridical person resides or is duly constituted, acquire the right to ownership of flat, building and business premises, and the right to ownership or long-term lease of construction land in the territory of the **PIII**. A natural or juridical person of another Party may obtain a right to long-term lease of agricultural land in the territory of the **PIII**, upon condition of reciprocity between **PIII** and the Party where the natural or juridical person resides or is duly constituted. Long-term leases may not exceed ninety-nine (99) years. All acquisitions require the approval of the competent Ministries.

**PIV** – Land lease not exceeding ninety-nine (99) years is permitted. Natural or juridical persons of another Party may purchase land in **PIV** except land for agriculture or for forestry.

**PV** – Natural and juridical persons of another Party may own real estate in **PV** other than agricultural land and real estate within restricted areas.

**PVI** – Agricultural land may not be owned by natural or juridical persons of another Party. Natural and juridical persons of another Party may not acquire and own real estate in the **PVI** except if the acquired property is related to the provision of a service and upon condition of reciprocity between **PVI** and the Party where the natural or juridical person resides or is duly constituted. Land leases may not exceed ninety-nine (99) years.

**PVII** – Natural and juridical persons of another Party may acquire rights in real estate in **PVII**, unless otherwise provided by law (non-discriminatory restrictions). Limitations apply to agricultural land and forestry land.

### **2. Capital movements**

**PIII** – **PIII** retains the right to maintain limitations regarding resident deposit operations, and resident capital operations related to investment in real estate and securities abroad.

### **3. Registration of companies**

**All CEFTA Parties**– A representative office is a part of a company without having the status of a juridical person. Such offices may only engage in market research, promotional, or representational activities. They may not perform commercial activities.

**PII** – In areas of media, (television, radio, newspapers), trade and production of arms, explosives, and military equipment the percentage of foreign capital shall not be more than forty-nine (49) percent.

**PVI** - A natural or juridical person of another Party may not have majority ownership in enterprises dealing with trade of weapons and ammunition, or in enterprises established in restricted areas (such as frontier strip, national parks, military areas) and must have the approval of the competent ministry for investments in such cases. Natural or juridical persons of another Party may establish or invest in such enterprises only with a domestic person upon meeting the aforementioned requirement.

### **4. Public utilities**

**All CEFTA Parties:**

Services considered as public utilities at a national or local level may be subject to public monopolies or to exclusive rights granted to private operators. These may exist in the following areas: energy services; water; public transport services and services auxiliary to all modes of transport; scientific and technical consulting services; research and development services on social sciences and humanities; technical testing and analysis services; environmental services; public health and public social services; communication services and public education services. Exclusive rights on such services may be granted to national or local private operators on a preferential basis.

### **5. The presence of natural persons**

**All CEFTA Parties except PV:**

Unbound except for measures concerning the entry into and temporary stay of the following categories of natural persons providing services: key personnel (business visitors, intra-corporate transferees); trainees; business service sellers; contractual services suppliers; independent professionals; and short-term visitors for business purposes, as defined in the Annex 1 to the Additional Protocol 6 on Trade in Services.

**PV:**

In order to implement its commitments under Annex 1 to the Additional Protocol 6 on Trade in Services, **PV** may not invoke its rights and obligations during a transition period of eighteen (18) months from the date of entry into force of this Protocol for **PV**. During that transition period, **PV** will extend the following commitments on the presence of natural persons to all CEFTA Parties on a reciprocal basis.

**PV** undertakes to allow the temporary entry and stay in its territory of the following categories of natural persons:

- (i) Intra-corporate transferees (ICT)

Entry and stay for a maximum of 3 years shall be granted to persons transferred within a corporation and its subsidiaries and branches who:

- (a) Have been employed by a juridical person established in another Party for at least one year immediately preceding the date of entry;
- (b) Are temporarily transferred in the context of the provision of a service in **PV** to a subsidiary or branch that is providing services in **PV**; and
- (c) Are Managers, Executives or Specialists, as defined below.

Managers: are persons working in a senior position who primarily direct the juridical person, including (a) directing the establishment or a department or sub-division of the establishment; (b) supervising and controlling the work of other supervisory, professional or managerial employees; and (c) having the authority personally to hire and dismiss or recommend hiring, dismissing or other personnel actions (such as promotion or leave authorization), and exercise discretionary authority over day-to-day operations. Does not include first-line supervisors, unless the employees supervised are professionals, nor does it include employees who primarily perform tasks necessary for the provision of the service. An economic needs test will not be required.

Executives: are persons within the juridical person, who primarily direct the management of the juridical person, establish the goals and policies of the juridical person, exercise wide latitude in decision-making, and receive only general supervision or direction from higher-level executives, the board of directors, or shareholders of the juridical person. Executives would not directly perform tasks related to the actual provision of a service or services. An economic needs test will not be required.

Specialists: are persons who possess uncommon knowledge essential to an establishment's service, research equipment, techniques or management. In assessing such knowledge, account will be taken not only of knowledge specific to the establishment, but also of whether the person has a high level of qualification referring to a type of work or trade requiring specific technical knowledge, including membership of an accredited profession. An economic needs test will not be required.

(ii) Business Visitors (BV)

Entry and temporary stay of the following categories is permitted without application of an economic needs test for a period of up to 90 days in any twelve month-period:

- (a) Service sellers - persons not residing in **PV** who are representatives of a service supplier and are seeking temporary entry for the purpose of negotiating and contracting for the sale of services but are not engaged in making direct sales to the general public or in supplying services themselves; and
- (b) Persons responsible for setting up a commercial presence - managers who are responsible for setting up in **PV** a commercial presence of a service provider of another Party and who are not engaged in making direct sales or in supplying services if the service provider has no other commercial presence in **PV**.

(iii) Contractual Service Suppliers (CSS)

Entry will be granted to natural persons engaged in the supply of a service on a temporary basis as employees of a legal person with no commercial presence in **PV**, subject to the following conditions:

- a) The legal person has obtained a service contract, for a period not exceeding 12 months from a final consumer in **PV**, through a procedure which guarantees the bona fide character of the contract;
- b) The service contract complies with the laws of **PV**;
- c) The natural person seeking entry should be offering such services as an employee of the legal person supplying the service for at least a year immediately preceding such entry;
- d) The temporary entry and stay shall be for a cumulative period of not more than 90 days in any 12-month period or for the duration of the contract, whatever is less;
- e) The natural person must possess (a) a university degree or a technical qualification demonstrating knowledge of an equivalent level<sup>1</sup>; (b) professional qualifications where this is required to exercise an activity in the sector concerned pursuant to the laws, regulations or requirements of **PV**; and (c) at least 3 years professional experience in the sector;
- f) The commitment relates only to the service activity which is the subject of the contract; it does not confer entitlement to exercise a profession in **PV**;
- g) The number of the persons covered by the service contract shall not be larger than necessary to fulfil the contract;
- h) An economic needs test will not be required; and
- i) The service contract has to be obtained in one of the activities below:

Legal services;  
Accounting and bookkeeping services;  
Architectural services, urban planning and landscape architectural services;  
Engineering services, integrated engineering services;  
Computer and related services;  
Advertising;  
Management consulting services;  
Services related to management consulting;  
Technical testing and analysis services;  
Related scientific and technical consulting services;  
Translation services;  
Environmental services; and  
Installation and maintenance of machinery or equipment.

---

<sup>1</sup> Where the degree or qualification has not been obtained in **PV**, the latter may evaluate whether this is equivalent to a university degree acquired in **PV**.
